

# A Life Without Limits II: A Renaissance Fantasy

Proudly Presents

**Monday in New York City  
with our special guest Frank Luz!**

This will be an all day tour (9AM to 10PM) that includes:

- ❖ Air-conditioned motor coach transportation around the city
- ❖ Admission to the Empire State Building Observation Deck
- ❖ A boxed lunch to eat in Central Park as we visit our B&B Bench
- ❖ Dinner at Mars 2112 Sci-fi Themed restaurant

With Mr. Luz as our guide we will visit major NYC sites such as Central Park, Rockefeller Center, Times Square; *and* some major “B&B” sites such as the DA Office/Criminal Courts Building, St. Vincent’s Hospital, and many places where the pilot episode was filmed.

**Please Note: If you would like to have a shorter day and can meet us in the Park at the bench around noon you can join us then and reduce your cost by the price of admission to the Empire State Building. However, keep in mind, that if you do this, you will be missing other morning sights and a stop at Frank’s favorite “low cost/wide selection” souvenir shop near the Empire State Building.**
